OUR THEMATIC AREAS

1. Youth Employability
2. Civic Engagement
3. Climate Change
4. Gender Inclusion

OUR APPROACH

1. Capacity Building
2. Research
3. Advocacy
4. Innovation

Message from the Executive Director

Dear Partners,

The year 2023 saw us taking a Leap as we easily transitioned into Programmes based Impact with the Launch of two of our flagship Programmes - Graduate Employability Program(GEP) and Students' Leadership and Entrepreneurship Program (SLEP) which has helped us to reach more Young Persons with Soft Skills , Employability skills, Entrepreneurship and Business Development Training.

At the Strategic Level of the Organisation, The Board was able to draft, approved and adopted over 20 Organisational Policies which are meant to provide direction and guide the operations of the Organisation.

During the Year Under review we were able to invest in Capacity Building by attending training on Civic Organisation Capacity Building, Organisation Development , Organisational Risk Management and Counter Terrorism Financing Compliance , Countering Trafficking In Person Mitigation , Self Regulations and Organisational Cyber Security Trainings.

Shamsudeen Abdulrazak
Executive Director
GMIHD.

The Year also saw us co-Publishing a Research Document on the State of Civic Tech in West Africa alongside other Civic Tech Organisations led by CcHub. We ended the Year with a Software Technological Support from Techsoup Nigeria.

Many Thanks to our Partners Civic Hive , Leap Africa , West Africa Civil Society Institute, Ford Foundation, Palladium, Kustos Consultancy Management Services , Spaces for Change , Economic and Financial Crimes Commission, Nigerian SCALE Project , Network of Nigerian Non Governmental Organisations, Civic Tech Innovation Network and CcHub.

The Year 2023, was another Year of Impact for us at Glowing Minds Initiatives for Human Development, while we look forward to a more Impactful 2024. We appreciate the Effort of Our Board, Management Team , Volunteers , Partner Organisations and Individuals for immense Contributions to our success in 2023.

Cheers to a more impactful 2024 !!!

OUR YEAR IN A NUTSHELL

JANUARY TO MARCH

IN-HOUSE TRAINING.

The Year 2023 Started with an in-house Training on Goal Setting and Vision Board for Our Volunteers . The Training was Facilitated by Mr Samuel Abraham; a Leadership and Management Consultant.

GRADUATE EMPLOYABILITY PROGRAM (GEP 1.0)

In the first Quarter of 2023 , we launched our Graduate Employability Program GEP 1.0. It was a Six week Long Training Program.

APRIL

FORD FOUNDATION WACSI TECHSOUP TECHNOLOGY SUPPORT

In April , the West Africa Civil Society Institute shortlisted our Organisation to benefit from \$300 Technology Capacity Strengthening and Support in Digital Security and Safety. This project forms part of holistic capacity strengthening programme to support civil society in West Africa to become a powerful driver of change by facilitating the agency of women and youth, cultivating resilience, enabling advocacy, solidarity, and the use of technology to expand the space for active citizenship and democratic governance. Through this project, we got a free Microsoft 365 Suite for Nonprofits License and trainings needed to enhance our productivity and facilitate collaboration within our organisation.

MAY

CIVIC HIVE CAPACITY BUILDING 1.0

Our Executive Director, Shamsudeen Abdulrazak was Selected alongside 19 Others for the Civic Hive Capacity Building 1.0 which held in Lagos with support from LEAP AFRICA through the Nigeria Youth Future Funds with Funding from Mac Arthur Foundation and Ford Foundation. The Training Covered Strategic Planning, Program Development and Management, Communications, Grant Writing, Data Analysis and Research Writing.

LEAP AFRICA CTIP NORTHERN AMBASSADORS TRAINING .

In May , we were also part of the Organisation selected for the Countering Trafficking In Person Northern Ambassadors Training which held in Abuja . The Program which was Organised by LEAP Africa is Supported by Palladium under the Nigerian SCALE Project with funding from USAID.

BOARD MEETING

We had our First Board Meeting for the Year 2023 in May and about Five Organisational Policies were approved and Adopted.

OUR YEAR IN A NUTSHELL

JUNE - AUGUST

GLOBAL GIVING PARTNER

We became a Global Giving Partner in 2023. Global Giving is an online fundraising Platform , with this Partnership we can raise fund for our causes to further attain our Mission and Vision.

CTIP STEP - DOWN TRAINING

In June 2023, we hosted an in-house Step-down Training on Countering Trafficking-In-Person Mitigation and Prevention for our Volunteers.

GEP 2.0

Between July and August 2023, we welcome the 2nd Cohort of our Graduate Employability Program GEP 2.0. The Cohort went through a six weeks Learning Period.

SEPTEMBER

SELF REGULATION LEARNING EVENT

On 7th September , we were invited alongside other CSO across the Country by the Nigeria Network of Non Governmental Organisations for a Learning Event on Self Regulation in Abuja. The learning event was another opportunity to refresh our knowledge on the Nonprofit Harmonized Code of Conduct.

We shared ideas, came up with real life, practical experiences of the implementation of the Code of Conduct in our organisations, discussed challenges that have arisen or may arise when implementing and shared recommendations which we hope can resolve some of the challenges identified.

CTAP HEALTH SUMMIT

Our Executive Director , was invited to the CTAP Health Summit with the theme : Citizens' Agenda for Healthcare Reform in Nigeria, Organised by BUDGIT and Connected Development which held at the Transcorp Hilton , Abuja. The event gave us the opportunity to stressed the need for a robust Universal Health Coverage especially for Development Practitioner.

ORGANISATION DEVELOPMENT TRAINING

Our Executive Director ; Shamsudeen Abdulrazak , was selected alongside 12 Others for a Train the Trainers Workshop on Organisational Development for Heads Of Youth Led Organisations in Nigeria. The Project was Facilitated by Kustos Consultancy Management Services with support from Palladium under the Nigeria SCALE Project with funding from USAID.
